This modern villa, located just 5 minutes from the border of Monaco, will become an architectural gem when finished. Set over three levels, seamlessly connected by an internal lift, it offers unrivaled views of Monaco and the azure sea. Constructed entirely from reinforced concrete, the villa covers 643 square meters on a huge estate of over 1,600 square meters, adorned with terraced landscapes and extensive flat plots. Proekt design boasts meticulous craftsmanship and exquisite finishing.
