The villa is a harmonious blend of luxury, tranquillity and seclusion and is located only a 3 minute drive from the vibrant and dynamic life of Monte-Carlo.

The villa is built on a rare property of 4,000 sqm overlooking the Mediterranean sea. A former olive plantation became the home of the luxurious property.

The villa is placed in a context of peace and protection - monitored by a sophisticated alarm system.

The villa has a mainhouse and a separate guesthouse with 6 bedrooms in total located on different levels, which allows you to have your family and friends or business partners next door - at the same time ensuring your privacy.

A Bentley Flying Spur W12 limousine in silver is available.
