About Fontvieille district: Fontvieille is the most western district of Monaco bordered by the town of Cap d'ail. This district was largely built on the sea and includes among others the Stade Louis, a marina and the main shopping center including a large food store. This district also offers a wide choice of restaurants, the Heliport and the University of Monaco. It is surrounded by greenery with the Roseaie de Monaco and the sea, and adjoins the town of Cap-D'Ail. While the real estate of Fontvieille is mainly made up of housing reserved for Monegasques and rights holders, there are also prestigious residences such as the Place du Bord de mer, the Terrasses du Port, the Centre Memmo or the Eden Star offering luxury apartments.
