The Donatello is a neo-Provençal style residence on the port of Fontvieille.

The district of Fontvieille is located in the west of the Principality, part of which was reclaimed from the sea between 1966 and 1973. It is dynamic because it is home to the Carrefour Shopping Centre, the Stade Louis II where football fans gather to see AS Monaco play, the Monte-Carlo circus tent, the Heliport, the fire station, the factories and many offices.
