Situated within an upscale residential complex featuring round-the-clock concierge services, big communal gardens, an outdoor pool facing the waterfront, this apartment provides a harmonious blend of refinement and luxury. It is beautifully refurbished and designed by a well known interior designer. The capacious living area encompasses a well-defined space for both dining and relaxation, catering to relaxed evenings or hosting gatherings. The kitchen is adorned with stylish steel accents, complemented by a separate utility room to enhance practicality in daily routines. The two bedrooms are tastefully appointed, each accompanied by its own lavishly designed bathroom. For added convenience, a separate guest toilet is seamlessly integrated.

The crowning jewel of this residence is its expansive terrace, well exposed to the sun due to it's south-west orientation, providing panoramic views of the sea and harbor.

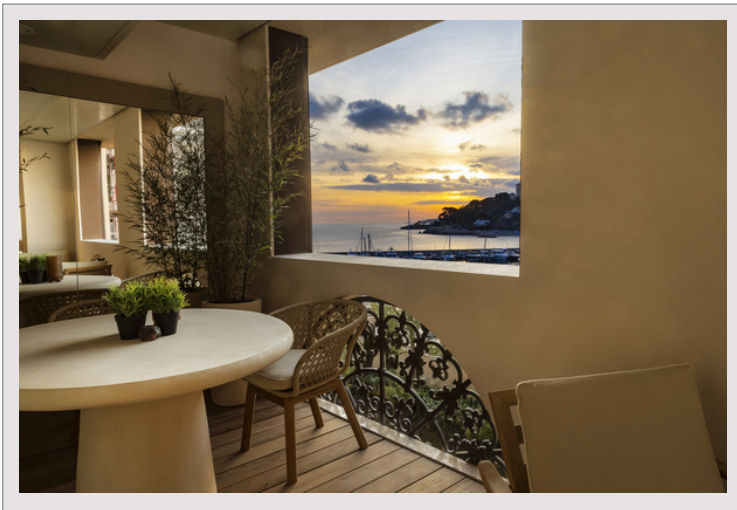

The property is inclusive of one parking space as well as a cellar within the premises.
